Thanksgiving Break:

Winter Break Building Closures:
Mary Ward and Mary Park Halls
Towers Jr. Suites

Communities that will remain open during the break:
Towers at Centennial Square
Village at Centennial Square
University Park South and North

Residents at Mary Ward, Mary Park and Jr. Suites must vacate their housing space by 8pm on Dec. 22, 2018.

Students in the Mary Ward, Mary Park, Towers Jr. Suites do not need to take their personal belongings with them, however, they will not be able to enter the building during break to retrieve items.

Students will return to their space, Saturday, January 26 2019 at 10am.

Students requesting to stay for Winter Break may contact the Housing Office directly.

Winter break extension request forms are available to pick up in the Housing Business Office, until December 13.

Deadline for winter break addendums and payments at HBO is December 19, 2018.

Returning Resident Process

Current residents who want to return for next Fall will participate in the Returning Resident process in the Spring. The Returning Resident housing application process will run from mid February through the beginning of May.

Detailed information will be available in February.

Frequently Asked Questions for Returning Residents

Who is eligible to return next Fall?
All current residents who will be enrolled as a full-time student for Fall 2019 and are in good financial and judicial standing will be allowed to apply to the residence community.

Do I have to reapply online?
Yes, as a current Housing resident you will need to complete the License Agreement and pay the Initial $300 payment.

Where will I turn in my License Agreement?
License Agreements will be completed online, and do not need to be physically turned in.

Can I pick my preferred roommate?
Returning Residents may choose roommates and apartment-mates during the Self-Selection process.

In order to be placed together, all residents must choose one another. Residents should make sure they are picking a room and apartment type that matches their potential roommates (for example, four students cannot all ask for single occupancy rooms).
