2016-2017 STUDENT HOUSING LICENSE TERMS & CONDITIONS
PART 2 – FEE PAYMENT INFORMATION & SCHEDULE

PLEASE READ CAREFULLY AND RETAIN FOR FUTURE REFERENCE. The following contains information concerning payment procedures, payment amounts, and payment due dates. The Fee Payment Schedule that follows contains the academic year cost for both the Full Payment Plan and the Installment Plan.

1. **MAKING PAYMENTS:** Payments are to be submitted directly to the University Housing office, or can be mailed to: SF State University Housing Office, Mary Ward Hall, 800 Font Boulevard, San Francisco, California 94132. Checks and money orders must be made payable to “SAN FRANCISCO STATE UNIVERSITY” or “SF STATE” and should contain the Licensee’s name and University ID number. It is the responsibility of Licensee to ensure all payments are made according to the established due dates. During the academic year, any notices or information regarding Licensee’s account will be sent to the Licensee’s on-campus address or to the Licensee’s SF State email address.
2. **INSTALLMENT PAYMENT PLAN:** Licensee shall be responsible for payment of fees for the entire License Term. Licensee may choose to pay in 9 installments (a \$40 installment fee is included) due on the first of every month, or pay in full at the time of signing the License Agreement (\$40 installment fee will be waived). The Initial Payment (Installment #1) of \$800 must be submitted with this Student Housing License Agreement. It is not possible to defer the Initial Payment (Installment #1) due with License Agreement (see Financial Aid Payment Plan below).

INSTALLMENT DUE DATES: All subsequent Installment Payments are due by the first of each month starting with Installment #2 due on September 1, 2015. The last payment, Installment #9 is due on April 1, 2016. All installment payments must be RECEIVED by the due date specified. After the 5th calendar day of the month, a \$20 Late Payment Fee will be charged to the Licensee’s account for each late installment. Payment amounts are indicated on the Fee Payment Schedule.

3. **FINANCIAL AID PAYMENT PLAN:** As per Title V of the California Code of Regulations, § 668.165, an institution may use Title IV, HEA program funds to credit a student's account at the institution to satisfy current charges for (i) board, if the student contracts with the institution for board; and (ii) room, if the student contracts with the institution for room. The Initial Payment (Installment #1) is not covered by Licensee's financial aid award and must be submitted with this License Agreement. Each semester, the equivalent of four (4) Installment Payments are deducted from Financial Aid disbursement(s) and applied toward the housing balance. Amounts are indicated on the Fee Payment Schedule. If student is receiving Financial Aid and has Housing charges due for the semester, student may not opt out of having Housing charges deducted from Financial Aid disbursements.

ACCEPT ENOUGH FINANCIAL AID: The Licensee must accept enough financial aid to cover all academic year costs or be prepared to pay the difference not covered by financial aid according to the Installment Payment Plan. If Licensee declines any part of their financial aid award offer (i.e. the student and/or parent loan program) they will be responsible for paying the amount declined and/or not covered by their disburseable financial aid award. If the financial aid disbursement(s) are less than the total amount due for the year or if financial aid status cannot be verified and/or Housing is unable to collect Licensee's financial aid award, Licensee is responsible for the full amount of the License Agreement balance and must make payments according to the Installment Payment Plan. In most cases, state and federal grants will not cover Licensee’s total housing cost per semester. Licensees can check their financial aid status

at via their SF State Gateway.

FINANCIAL AID ELIGIBILITY: Some charges included in the Housing costs are not Financial Aid eligible, meaning that at no time will Financial Aid funds cover these costs directly. These include SECURITY DEPOSIT (\$200), ACTIVITY FEE (\$30), and INSTALLMENT FEE (\$40). Other possible charges are also not Financial Aid eligible, including CONDUCT FEE, PARKING FEE, DAMAGE FEE, and LATE FEE.

4. **LATE PAYMENTS:** Licensee(s) and The University agree that The University will sustain costs and damage as a result of any late payment of rent but that it will be extremely difficult to determine with specificity the actual amount of that damage. Therefore, Licensee(s) agrees to pay, as additional rent, a late charge equal to \$20.00 for any payment of rent not received by The University within five calendar days of the Due Date. The parties agree that this late charge represents a fair and reasonable estimate of the costs and damages that The University will incur by reason of late payment by Licensee(s). The provision for payment of a late charge does not constitute a grace period and The University may serve a 3-Day Notice to Pay Rent or Quit on the day after the Due Date. The University and Licensee(s) agree that Licensee(s) paying rent five days after the Due Date on three separate occasions within any twelve month period shall constitute habitual late payment of rent and may be considered a just cause for eviction.
5. **RETURNED CHECKS:** In the event that Licensee(s) makes any payment required hereunder with a check which is not honored by the bank on which it is drawn for any reason, Licensee(s) agrees to pay an additional sum as defined by the University as a reimbursement of the expenses incurred by the University. A dishonored check shall constitute late payment of rent and shall be subject to late charges as outlined above. Such charges shall be immediately due and payable upon notice to Licensee(s). A returned cash equivalent or check must be redeemed by guaranteed funds. Failure to pay the charges immediately shall constitute a default under the terms of this Agreement. The University reserves the right to demand payment of rent by certified funds, cashier's check or money order for all future payments in the event of any such returned check or any other monetary default by Licensee(s) and rent tendered in any other form may be refused by The University. Nothing in this paragraph shall limit other remedies available to The University as a payee of a dishonored check. The University and Licensee(s) agree that three returned checks in any nine-month period shall constitute frequent return of checks due to insufficient funds and may be considered a just cause for eviction.
6. **FAILURE TO PAY:** Pursuant to Civil Code Section 1785.26, you are hereby notified that a negative credit report reflecting on your credit record may be submitted to a credit reporting agency if you fail to fulfill the terms of your credit obligations, such as your financial obligations under the terms of this Agreement.
7. **GATOR DOLLARS:** "Gator Dollars" is the University currency. Gator Dollars may be used in residential dining areas, vending machines and laundry machines (except in UPS/UPN) as marked. Gator Dollars may be added to student account by the student at any time using an add-value machine or the Bursar's online system. Housing does not provide Gator Dollars.
 - Refunds: Gator Dollars are not refundable for cash after move-in. Housing may approve refund of Gator Dollars ONLY if loss is due to malfunction of vending or laundry machines within the Housing community.

SF STATE UNIVERSITY HOUSING
2016-2017 STUDENT HOUSING LICENSE TERMS & CONDITIONS
PART 3 – HOUSING FACILITY RULES AND REGULATIONS

1.01a Alcohol Possession, Transportation, Consumption, Alcoholic beverages and Other Substance Use: In the RH, TCS, VCS, UPN and UPS, the use of alcoholic beverages must be in compliance with California State Law and is limited to those persons 21 years of age or older. Alcoholic beverages may not be consumed in public areas (any area outside student rooms). Residents under the age of 21 are not permitted to host in their room guests or residents of any age who are in possession of alcohol. Residents over the age of 21 who host guests or residents under the age of 21 in their rooms will have their alcohol emptied out and all non-registered guests will be asked to leave the residential community. Detectable intoxication by residents under the age of 21 within the residential community is prohibited. Kegs and other similar over-sized “common source” containers are expressly prohibited in or around the Residential Community. Possession of a keg or accumulation of alcohol deemed as “common source” may result in termination of the License Agreement.

1.01b Alcohol Paraphernalia: Possession of alcohol paraphernalia (empty bottles, cans, shot glasses, cocktail shakers, etc.) connote alcohol consumption and are therefore not permitted in Residential Community buildings by residents under the age of 21. Drinking games (water pong, kings cup etc.) are considered alcohol paraphernalia and promoting irresponsible drinking behavior and therefore are not permitted in the residential community unless it is a recognized educational program sponsored by residential life or their affiliates.

1.02 Asbestos Containing Materials: Prior to the 1980’s, asbestos was a common component of materials used in the construction of hospitals, schools, offices, industrial construction and residential buildings. Under certain circumstances, the presence of asbestos in buildings may pose a health risk to the occupants. In order to ensure that the public is informed of these risks, the California legislature adopted Assembly Bill 3713, which requires, among other things, that the owner of a building constructed before 1979 inform tenants of the presence of Asbestos Containing Materials (ACM) in the building. The current definition in the statute is that ACM comprises construction materials containing “More than one-tenth of one percent asbestos by weight”.

We believe that ACM may exist in the community.

The mere presence of undisturbed and non-friable ACM in a building does not present a health hazard. Exposure to airborne asbestos fibers can cause asbestos-related diseases. Asbestos is listed under Proposition 65 as a chemical known to the State of California to cause cancer. To comply with Proposition 65, University Park has posted notices in the building. There are uncertainties about the level of exposure, which can cause disease. If you wish to obtain further information regarding potential health risks or impacts of asbestos, please contact your local or state public health agencies.

Asbestos can release fibers if disturbed. Certain general procedures and handling restrictions are necessary when dealing with ACM. It is important that the materials not be moved, drilled, bored, sanded, cored, broken or otherwise disturbed in order to prevent and minimize potential release of asbestos fibers. Such activities may present a health risk and should not be attempted by any person who is not trained in the handling and disposal of ACM.

1.03 Bicycles, Hoverboards, Skates, Scooters and Skateboards: Bicycles, hoverboards, skates, scooters and skateboards must be kept in designated areas and their use is not permitted on campus grounds. Bicycles kept in the Residential Community must be registered with the Housing Office.
