

1.27 Sports Equipment Use: The use of sports equipment, such as balls, Frisbees, skateboards, rollerblades, scooters, and roller skates are prohibited within the residential community buildings.

1.28 Residential Life/Staff Requests: Residents are expected to comply with reasonable requests from any Residential Life and/or University staff. Uncooperative behavior e.g. providing false information, and/or failure to identify oneself to University officials or law enforcement officers acting in the performance of their duties is prohibited.

1.29 Theft/Burglary: Unauthorized entry into, unauthorized use of, or misuse of campus property or property owned, rented, or leased by a member of the campus community, and/or theft of, or intentional damage to, campus property or property in the possession of or owned by a member of the campus community may result in termination of License Agreement. The University does not assume legal obligation for damage, theft or loss of personal property. Residents are encouraged to obtain appropriate insurance.

2.0 CONDUCT SYSTEM

- **2.01 Conduct Process:** Residential Life conduct procedures are limited to administrative actions, and as such, do not automatically affect a Licensee's student status. If a Licensee's conduct warrants referral for more stringent University action, the Office of Student Conduct will formally advise the Licensee of that process as outlined in CSU Executive Order 1098. Housing sanctions may include formal warnings, reassignment of bed space, probation, community service projects, and/or termination of the Student Housing License Agreement. To remain in good standing, Licensees are expected to participate and complete all conduct obligations.
- **2.02 Attendance at Appointments:** Attendance at scheduled administrative appointments is mandatory. Licensees who fail to make or keep a required appointment risk the conduct process proceeding without the benefit of their direct input.
- **2.03 Conduct Administrative Fee:** An administrative fee may be assessed per incident to residents found responsible for violations of their License Agreement.
