STEP 2 | UNLOADING

LOCATION: SEE MAP

After receiving your keys, follow the map to the unloading area indicated in yellow and park your vehicle.

Fill out the unloading permit you received at check-in and place it in your vehicle according to the instructions on the permit. Parking in the unloading area is restricted to 1 hour.

After unloading, move your vehicle to one of the lower levels of Lot 20 or any available street parking.

REMARKS

Only 1 vehicle per resident may move through or park in the unloading area.

Parking in Lot 20 is free on Move-in Day.

Due to a max clearance of 6’8”, large trucks, trailers, or recreational vehicles cannot be accommodated in Lot 20.

Pay attention to any parking restrictions as SF State will not be responsible for any parking violations.
