SF STATE UNIVERSITY HOUSING

TERMS & CONDITIONS PART 1 - AGREEMENT

COVID-19 POLICIES AND PROCEDURES

This Student Housing License Agreement, hereinafter referred to as “Agreement” or “License”, is entered into for the seven (7) month period between the Trustees of the California State University, which is the State of California acting in a higher education capacity, on behalf of San Francisco State University, hereinafter called the “University,” and the above-named person, hereinafter called the “Licensee”. In consideration for the right to occupy the assigned bed space within the student housing facility at the University, and to voluntarily participate in the Residential Dining Plan (when applicable), Licensee agrees to make payments to the University in accordance with the Fee Payment Schedule that accompanies this Agreement.

By completing and electronically signing the License Agreement, you agree to all of its provisions. Please read these provisions entirely before submitting a completed License Agreement and the Addendum. This addendum to the License Agreement presents the Terms and Conditions by which a San Francisco State student agrees to abide by to live on-campus during the 7 months. This addendum is incorporated into and supplements the San Francisco State University Student Housing License Agreement. Except as stated in this addendum, it does not alter any conditions or obligations in the License Agreement. This addendum is effective for the complete contract period. In addition to the License Agreement, the following will apply:

Neither Licensee nor the University shall be liable for any delay or failure to perform its obligations hereunder if such delay or failure to perform is caused by circumstances beyond the party’s reasonable control, including, but not limited to, acts of nature, government restrictions or orders, wars, riots, insurrections, disaster, acts of terrorism, communicable disease outbreak, epidemic, pandemic, or any other comparable event or cause beyond the reasonable control of the party whose performance is affected. Licensee and the University acknowledge that the full impact of Coronavirus (COVID-19) is not currently known or reasonably foreseeable. In the event that circumstances related to COVID-19 or to any reoccurrence of the COVID-19 virus reasonably prevent or hinder a party’s performance hereunder, the party whose performance is affected may invoke the immediately preceding Force Majeure clause of this Agreement and be excused from liability for its failure or delay in performing its obligations hereunder, even if the circumstances related to COVID-19 were foreseeable at the time of the parties’ execution of this Agreement.

Notwithstanding the foregoing, in no event shall Licensee be excused from paying any fees or amounts owed for the period of time during which Licensee occupied the Premises. In the event that Licensee is unable to occupy the Premises due to circumstances related to COVID-19, the University will provide Licensee with prorated refunds for any license fee representing the time period during which Licensee was unable to occupy the Premises due to circumstances related to COVID-19.

The COVID-19 pandemic is a worldwide risk to human health. COVID-19 is a highly contagious disease which can spread easily and exponentially, and lead to severe illness or death. According to various public
health organizations, persons of all ages are at risk. An inherent risk of exposure to COVID-19 exists in any shared or public space where people are present, including on-campus housing. The SF Department of Public Health will continue to provide guidance and direction. Students moving in for spring 2021 are required to self-quarantine for 14 days prior to move-in and 14 days after the date of move-in. In addition, the University may require all residents to receive the flu vaccine prior to the start of the semester and provide proof. Direction regarding this guidance will be communicated as necessary.

Students who have elected to reside in on-campus housing will face a risk of exposure. Although San Francisco State University has taken and will continue to take various measures to protect against exposure, those measures will not eliminate all risk of exposure to COVID-19, and there will remain a risk of exposure. Residents understand their support and adherence is critical to COVID-19 exposure mitigation efforts. To minimize the risk students are being asked to confirm that:

A) Upon occupancy, resident may be required to provide proof that they are not currently infected with COVID-19.

B) Upon occupancy, resident indicates they are not experiencing symptoms associated with COVID-19. Symptoms include a loss of taste or smell, fever, severe headaches, severe fatigue or body/muscle aches, unusual gastrointestinal distress, or signs of respiratory illness such as a dry cough, shortness of breath or difficulty breathing.

D) Resident agrees to immediately notify Student Health Services or the Student Housing Office if they are at any time whatsoever, experience any symptom(s) associated with COVID-19, or believe they may have come into personal or close contact with an individual infected with COVID-19.

E) Resident understands and agrees that the exclusive purpose for which San Francisco State University is providing housing is to enable the resident to complete and/or participate in a campus educational program. Accessing or allowing access to the property for any other purpose may be dangerous or unsafe, and could expose the community to COVID-19.

F) Resident understands and agrees to comply with all Federal, State and local directives, orders or mandates related to COVID-19 as well as any San Francisco State University directive or policy.

Right of Entry

A) Residents must wear a mask or face covering when entering and traversing buildings in the housing community and must follow guidelines provided by the City and County of San Francisco and the Center of Disease Control and Prevention (CDC).

B) Residents must wear a mask or face covering during Health and Safety Inspections, custodial
services, maintenance repairs, or any other inspection in order to reduce risk of exposure to COVID-19 (or other infectious diseases) or when entry to the room is required by an SF State representative.

C) During Stay-at-Home or Shelter-in-Place guidelines, resident students are expected to be engaged daily with the University’s health declaration process and must demonstrate a health “green badge” to gain access to University facilities outside of their own residence apartment building.

**Occupancy Requirements – Room Assignments and Changes**

A) During Stay-at-Home or Shelter-in-Place guidelines, Licensee understands room assignment changes will be minimal due to the risk associated.

B) During Stay-at-Home or Shelter-in-Place guidelines, unauthorized room changes are prohibited and considered a serious material breach of the license.

C) The Licensee only has the right to, and must remain in their assigned bedspace. Licensee may not occupy or move into other bedspaces in the room or unit. The University reserves the right to assign additional roommates to the vacated bedspaces within the room or unit in Spring 2021.

B) During Stay-at-Home or Shelter-in-Place guidelines, overnight guests are prohibited in the residence halls or apartments. Violations of this regulation are considered a serious material breach of the license.

C) During Stay-at-Home or Shelter-in-Place guidelines, resident students are expected to be actively supporting the Center for Disease Control’s (CDC) guidelines when visiting other resident students. No more than one resident student visitor is acceptable at any one time.

**Confirmed Positive or Exposure to COVID-19 Guidelines**

A) Licensee will notify Student Health Services and designated University Housing Services team members should they become sick with COVID-19 symptoms, test positive for COVID-19, or have been exposed to someone with COVID-19 symptoms or a confirmed or suspected case.

B) Licensee agrees to be moved into a self-isolation unit if risk to the overall apartment is deemed significant.

C) Licensee will not attend in-person classes or other on-campus facilities, or end isolation until they have met CDC’s criteria to discontinue isolation.
D) Licensee acknowledges that a medical authority (that may be Student Health Services) will determine if the student is able to self-isolate or needs to be referred to a healthcare facility, depending on how severe their symptoms are.

E) Licensee will be provided with and be advised to follow CDC Guidance for caring for oneself and others who are sick.

XXVI. TAXABLE POSSESSORY INTEREST
It is the position of the University that this License Agreement does not create a taxable possessory interest in real property. However, pursuant to Revenue and Taxation Code 107.6, Licensee is hereby notified that a taxing authority may take a contrary view and may assess Licensee property taxes based on Licensee’s interest in this License Agreement.

XXVII. ASBESTOS DISCLOSURE
Prior to the 1980’s, asbestos was a common component of materials used in the construction of hospitals, schools, offices, industrial construction and residential buildings. Under certain circumstances, the presence of asbestos in buildings may pose a health risk to the occupants. In order to ensure that the public is informed of these risks, the California legislature adopted Assembly Bill 3713, which requires, among other things, that the owner of a building constructed before 1979 inform tenants of the presence of Asbestos Containing Materials (ACM) in the building. The current definition in the statue is that ACM comprises construction materials containing “More than one-tenth of one percent asbestos by weight”. We believe that ACM may exist in the community.

The mere presence of undisturbed and non-friable ACM in a building does not present a health hazard. Exposure to airborne asbestos fibers can cause asbestos-related diseases. Asbestos is listed under Proposition 65 as a chemical known to the State of California to cause cancer. To comply with Proposition 65, the University has posted notices in the building. There are uncertainties about the level of exposure, which can cause disease. If you wish to obtain further information regarding potential health risks or impacts of asbestos, please contact your local or state public health agencies.
Asbestos can release fibers if disturbed. Certain general procedures and handling restrictions are necessary when dealing with ACM. It is important that the materials not be moved, drilled, bored, sanded, cored, broken or otherwise disturbed in order to prevent and minimize potential release of asbestos fibers. Such activities may present a health risk and should not be attempted by any person who is not trained in the handling and disposal of ACM.

**XXVIII. MOISTURE, MOLD AND MILDEW**

Due to coastal and other conditions, Licensee hereby acknowledges that there is a likelihood of developing moisture, mold or mildew at the premises. Licensee further acknowledges that his/her maintenance practices may create or increase the level of moisture, mold and mildew at the premises.

Licensee agrees to examine, clean and maintain the premises regularly in order to keep it free of any moisture, mold or mildew. Licensee further agrees to immediately notify the University in writing in the event Licensee notices the development of moisture, mold and mildew at or about the premises.

Furthermore, Licensee agrees to defend, hold harmless and indemnify the University from any claim, cause of action or complaint by a third party (i.e. a person who is not a party to this License Agreement) relating to any personal injury, property damage, or other damage alleged to have been caused, entirely or in part, by exposure to moisture, mold and/or mildew due to any negligent act or omission on the part of the Licensee.

Licensee acknowledges that they are satisfied that the premises are safe and free from moisture, mold and/or mildew at the time Licensee takes occupancy in the bed space. Licensee further agrees that it is the sole responsibility of Licensee to take reasonable measures to ensure that the demised premises remains free of moisture, mold and mildew at all times.

Licensee acknowledges that it is necessary for Licensee to provide appropriate climate control, keep the Unit clean, and take other measures to retard and prevent mold and mildew from accumulating in the Unit. Licensee agrees to clean and dust the Unit on a regular basis and to remove visible moisture accumulation on windows, walls and other surfaces as soon as reasonably possible. Licensee agrees not to block or cover any of the heating and ventilation ducts in the Unit. Licensee also agrees to immediately report to the University: (i) any evidence of a water leak or excessive moisture in the Unit, as well as any storage room, garage or other common area; (ii) any evidence of mold, or mildew-like growth that cannot be removed by simply applying a common household cleaner and wiping the area, or that returns after cleaning the area; (iii) any failure or malfunction in the heating or ventilation system in the Unit; and (iv) any inoperable doors or windows. Licensee further agrees that Licensee shall be responsible for damage to the Unit and Licensee’s property as well as personal injury to Licensee and Occupants resulting from Licensee’s failure to comply with the terms herein.

**XXIX. SUSTAINABILITY**

Residents are expected to contribute to a sustainable environment through education of waste practices and reduction of carbon footprint. Sustainability and recycling information can be found in the SF State Residential Community Living Standard Guide.
PLEASE READ CAREFULLY AND RETAIN FOR FUTURE REFERENCE. The following contains information concerning payment procedures, payment amounts, and payment due dates. The Fee Payment Schedule that follows contains the 7-month Installment payments.

A) MAKING PAYMENTS: Payments are to be submitted directly to the University Housing office, or can be mailed to: SF State University Housing Office, Mary Ward Hall, 800 Font Boulevard, San Francisco, California 94132. Checks and money orders must be made payable to “SAN FRANCISCO STATE UNIVERSITY” or “SF STATE” and should contain the Licensee’s name and University ID number. It is the responsibility of Licensee to ensure all payments are made according to the established due dates. During the contract period, any notices or information regarding Licensee’s account will be sent to the Licensee’s on-campus address or to the Licensee’s SF State email address.

B) INSTALLMENT PAYMENT PLAN: Licensee shall be responsible for payment of fees for the entire License Term. The Initial Fee of $50 must be submitted with this Student Housing License Agreement. It is not possible to defer the Licensing Fee due with License Agreement (see Financial Aid Payment Plan below). There is a total of seven installments for the 7-month License Agreement.

C) INSTALLMENT DUE DATES: All subsequent Installment Payments are due by the 15th of each month starting with Installment 6 due on January 15, 2021. The last payment, Installment 12 is due on July 15, 2021. All installment payments must be RECEIVED by the due date specified. After the 15th calendar day of the month, a $20 Late Payment Fee will be charged to the Licensee’s account for each late installment. Payment amounts are indicated on the Fee Payment Schedule.

D) FINANCIAL AID PAYMENT PLAN: As per Title V of the California Code of Regulations, § 668.165, an institution may use Title IV, HEA program funds to credit a student's account at the institution to satisfy current charges for (i) board, if the student contracts with the institution for board; and (ii) room, if the student contracts with the institution for room. The Initial Fee Payment is not covered by Licensee's financial aid award and must be submitted with this License Agreement. Installment Payments are deducted from Financial Aid disbursement(s) and applied toward the housing balance. Amounts are indicated on the Fee Payment Schedule. If student is receiving Financial Aid and has Housing charges due for the semester, student may not opt out of having Housing charges deducted from Financial Aid disbursements.

E) ACCEPT ENOUGH FINANCIAL AID: The Licensee must accept enough financial aid to cover all costs or be prepared to pay the difference not covered by financial aid according to the Installment Payment Plan. If Licensee declines any part of their financial aid award offer (i.e. the student and/or parent loan program), they will be responsible for paying the amount not covered by their disbursable financial aid award. If the financial aid disbursement(s) are less than the total amount due for the year or if financial aid status cannot be verified and/or Housing is unable to collect Licensee's financial aid award, Licensee
is responsible for the full amount of the License Agreement balance and must make payments according to the Installment Payment Plan. In most cases, State and Federal grants will not cover Licensee’s total housing cost per semester. Licensees can check their financial aid status via their SF State Gateway.

F) FINANCIAL AID ELIGIBILITY: Some charges included in the Housing costs are not Financial Aid eligible, meaning that at no time will Financial Aid funds cover these costs directly. These include ACTIVITY FEE ($20) APPLICATION FEE ($30). Other possible charges are also not Financial Aid eligible, including LOCK CHANGE FEE, IMPROPER CHECK-OUT FEE, PARKING FEE, DAMAGE FEE, and LATE FEE.

G) LATE PAYMENTS: Licensee(s) and the University agree that the University will sustain costs and damage as a result of any late payment of rent but that it will be extremely difficult to determine with specificity the actual amount of that damage. Therefore, Licensee(s) agrees to pay, as additional rent, a late charge equal to $20.00 for any payment of rent not received by the University within fifteen calendar days of the due date. The parties agree that this late charge represents a fair and reasonable estimate of the costs and damages that the University will incur due to late payment by Licensee(s). The provision for payment of a late charge does not constitute a grace period and the University may serve a fifteen (15) Day Notice to Pay Rent or Quit on the day after the due date. The University and Licensee(s) agree that Licensee(s) paying rent fifteen (15) days after the due date on three separate occasions within any twelve (12) month period shall constitute habitual late payment of rent and may be considered a just cause for eviction.

H) RETURNED CHECKS: In the event that Licensee(s) makes any payment required hereunder with a check which is not honored by the bank on which it is drawn for any reason, Licensee(s) agrees to pay an additional sum as defined by the University as a reimbursement of the expenses incurred by the University. A dishonored check shall constitute late payment of rent and shall be subject to late charges as outlined above. Such charges shall be immediately due and payable upon notice to Licensee(s). A returned cash equivalent or check must be redeemed by guaranteed funds. Failure to pay the charges immediately shall constitute a default under the terms of this Agreement. The University reserves the right to demand payment of rent by certified funds, cashier’s check or money order for all future payments in the event of any such returned check or any other monetary default by Licensee(s) and rent tendered in any other form may be refused by the University. Nothing in this paragraph shall limit other remedies available to the University as a payee of a dishonored check. The University and Licensee(s) agree that three returned checks in any nine-month period shall constitute frequent return of checks due to insufficient funds and may be considered a just cause for eviction.

I) FAILURE TO PAY: Pursuant to Civil Code Section 1785.26, you are hereby notified that a negative credit report reflecting on your credit record may be submitted to a credit reporting agency if you fail to fulfill the terms of your credit obligations, such as your financial obligations under the terms of this Agreement. In addition, Licensee may be subject to legal proceedings leading up to eviction for failure to pay.

J) UNIVERSITY FEE PAYMENT DEADLINE: The San Francisco State University Bursar’s Office will post Fee Payment Deadline dates on the 7-month fee schedule. Housing charges will be included during Fee
Payment Deadlines, requiring that all past due charges must be paid in full. Only past due Housing charges will be included during Fee Payment Deadlines. Housing charges that are posted on the Licensee’s Student Account with future due dates will not be included during Fee Payment Deadlines. Failure to pay all past due Housing charges on the scheduled Fee Payment Deadline dates will result in the Licensee being dropped from all currently registered classes.

K) RESIDENT ACTIVITY FEE: A $20 optional Resident Activity Fee (non-refundable after opening day) included with the License Fee payment entitles Licensee access to educational and social programs sponsored by the residential community.

- Installment payments begin in January and are due on the 15th of each month. Any payment received after the 20th will be considered late and subject to a $20 late fee.

Please Note: For health and safety purposes due to COVID-19, online payments are the preferred method of payment.
1.01 Alcohol The regulations governing alcohol in the residence community are in accordance with state and federal laws.

- **1.01a Alcohol Possession and/or Paraphernalia:** Possession of alcohol and/or alcohol paraphernalia (empty bottles, cans, shot glasses, cocktail shakers, beer bongs, etc.) connote alcohol consumption and are therefore not permitted in residential community buildings by residents under the age of twenty-one (21). Drinking games (water pong, King’s Cup, etc.) are considered alcohol paraphernalia and promote irresponsible drinking behavior and therefore are not permitted in the residential community unless it is a recognized educational program sponsored by the University or its affiliates. Residents under the age of 21 are not permitted to host in their room guests or residents of any age who are in possession of alcohol. Residents over the age of 21 who host guests or residents under the age of 21 in their rooms will have their alcohol emptied out and all non-registered guests will be asked to leave the residential community.

- **1.01b Alcohol Hospitalization:** Residents requiring hospitalization related to alcohol use or consumption will be required to submit to a clinical assessment and review of support measures.

- **1.01c Alcohol Consumption and Other Use:** The use of alcoholic beverages must comply with California State Law and is limited to those persons 21 years of age or older. Alcoholic beverages may not be consumed in public areas (any area outside student rooms). Returning to the residence community under the influence of alcohol or in a manner that negatively affects the community is prohibited.

- **1.01d Alcohol Common Sources, Sale, Distribution, and Manufacturing:** Sale or distribution of alcoholic beverages to any person under the legal drinking age may lead to License Agreement revocation. Kegs and other similar oversized “common source” containers are expressly prohibited in or around the residential community. Possession of a keg or accumulation of alcohol deemed as “common source”, purchasing alcohol for minors, or providing alcohol to others may result in termination of the License Agreement.

1.02 Bicycles, Hover boards, Skates, Scooters and Skateboards: Bicycles, skates, scooters and skateboards must be kept in designated areas and may be confiscated if left or ridden in unauthorized areas. Hover boards are not allowed to be stored inside the residential community.

1.03 Building Exterior: Posting of unapproved signs or erecting of antennas or any other object on the exterior of buildings is prohibited and may violate the University’s Time, Place, and Manner policy. No alteration that affects the building’s appearance shall be permitted without prior written approval.

1.04 Candles, Flammable Materials, Incense and Open Flames: In accordance with California State Fire Codes, open flames are prohibited. Possession or burning of flammable materials (see Community Living
Guide) is prohibited inside the residential community. No fuel powered motor vehicles or associated parts are permitted within residential community for use, maintenance, repair, or storage. Arrangements may be made for special purposes that require use of an open flame through the Director of Residential Life or designee. (see the Community Living Standards Guide)

1.05 **Circuit Breaker Panel:** In spaces containing a Circuit Breaker Panel, all items must be kept away from the wall (3 ft. minimum) and shall not block the Breaker Panel.

1.06 **Commercial Solicitation, Advertising, Promotion and Transactions:** Commercial solicitation, advertising, publications, and commercial transactions are prohibited in all areas. Unapproved solicitation, filming, or publicity is prohibited in or around the residential community. This regulation extends to all forms of technology [video cameras, camera phones, etc.] used in filming or photography for commercial use or publication.

1.07 **Community Living Standards:** Further policies and standards regarding on campus living are found in the Community Living Standards Guide. Licensee must abide by all policies and standards outlined in this document.

1.08 **Conduct Expectations:** Licensees are responsible for knowing, understanding, and abiding by the rules and standards of the residence community. Established patterns of behavior that continue to affect the larger community may result in revocation of the License Agreement. Alleged violations of the License Agreement may also be subject to review from a criminal or student conduct code.

1.09 **Cooking:** All assignments with kitchens must confine cooking to the apartment kitchen. In assignments with patios, cooking is permissible with a charcoal grill so long as the grill is ten (10) feet away from any structure and used coals are disposed of properly.

1.10 **Dining Center:** No food, dishes, or utensils shall be taken from the City Eats Dining Center. Meals may not be shared or transferred. Disorderly conduct is not permitted. Being found responsible for initiating or participating in a food fight is grounds for termination of License Agreement and/or restitution for loss and damages. Additional expectations with our Dining Services can be found in the Community Living Standards.

1.11 **Drugs:** The regulations governing drugs in the residence community are in accordance with State and Federal laws.

   - **1.11a Drug Possession and Paraphernalia:** Possession or use of any illegal, and/or controlled substance, and/or prescription drug other than the person prescribed as well as drug paraphernalia used to consume said drugs is prohibited in the residential community. The University does not assume legal obligation for damage, theft or loss of personal property. Residents are encouraged to obtain appropriate insurance.

2.0 CONDUCT SYSTEM

• 2.01 Conduct Process: Residential Life conduct procedures are limited to administrative actions, and as such, do not automatically affect a Licensee's student status. If a Licensee's conduct warrants referral for more stringent University action, the Office of Student Conduct will formally advise the Licensee of that process as outlined in CSU Executive Order 1098. Housing sanctions may include formal warnings, reassignment of bed space, probation, community service projects, and/or termination of the Student Housing License Agreement. To remain in good standing, Licensees are expected to participate and complete all conduct obligations.

• 2.02 Attendance at Appointments: Attendance at scheduled administrative appointments is mandatory. Licensees who fail to make or keep a required appointment risk the conduct process preceding without the benefit of their direct input.

• 2.03 Conduct Administrative Fee: An administrative fee may be assessed per incident to residents found responsible for violations of their License Agreement.
